FCC REDUCES BACKLOG OF BROADCAST INDECENCY COMPLAINTS BY 70%
(MORE THAN ONE MILLION COMPLAINTS); SEEKS COMMENT ON ADOPTING
EGREGIOUS CASES POLICY

PLEADING CYCLE ESTABLISHED

GN Docket No. 13-86

To whom it may concern,

I am filing this comment with the FCC in support of their adoption of a new “Egregious Cases” policy in order to reduce its backlog of complaints. I am not offended at the idea of real life being reflected on television in the form of hearing some curse words and seeing some non-sexual nudity. I think federal resources are better spent elsewhere than dealing with complaints for such relatively minor regulation infractions.

Sincerely,
